Mariemont Outstanding Citizen Award

January 23, 2025

In 1982 Mariemont Village Council recommended an annual award be given to "Mariemont's Outstanding Citizen." Since then, forty-two very deserving people have received this prestigious award.

Any individual or organization may nominate a person(s) for this award. Nominations for this year's award should be received by March 13, 2025. They will then be reviewed, a selection made by previous award winners, and the recipient announced at the Memorial Day Celebration.

We would appreciate your organization nominating a candidate for consideration of this year's award. Guidelines to be followed in selecting a nominee are available in the Village Office. Attachments with expanded information are encouraged. You are welcome to renominate a candidate who was previously nominated but not given the award.

Thank you for your consideration. I look forward to receiving your nomination and to seeing you at the Memorial Day Parade.

Sincerely,

William A. Brown

William A. Brown
