Dear Mariemont Village Residents,

When one of the cornerstones of our community life is shuttered it is understandably unsettling. Seeing the Mariemont Theatre temporarily close is hard for all of us. However, I want to reassure everyone we have taken preemptive steps to ensure that the lights come back on. We look forward to the new operators, Cindependent, gaining access to the space and posting signage and assessing a reopen date. Currently, the date in which we can put up signage is March 8th. Until that time, let us respect the time and effort it takes for the current operators to move out. Esquire Theatre Management Group has been part of our community for more than a decade and we want to thank them for all the memories they allowed us to have in their theatre. My hope is that they are able to leave with dignity and grace and the thanks of a grateful Village.

I am excited however, that at the end of all of this, through Cindependent, we will have a community owned theatre. Together, we will all get to shape the next chapter. So, while the theatre may be dark for the moment, the future is bright. I will continue to provide updates as I have them.

Sincerely,

A handwritten signature in blue ink that reads "William A. Brown".
