We plan to have three interclub teams this year, one in Div I, one in Div II and one in Div III. The eight practices (\$150 for the season or \$25 each session with match balls included), are designed to work on doubles strategies, a weekly theme and match play in preparation for the weekly team match. Beginning the week of 5/27, the practice schedule will be: DI with Dave on Thursdays, 8:30-10:00am; DII with Dave on Tuesdays, 8:30-10:00am; and DIII with Tracy on Thursday mornings, time TBD. Matches are played here and at various clubs in the area on Fridays, 9-11:00am, from June 7 to Aug 2. You don't have to be available for every practice/match.

For more information about team play, please contact Linda Bartlett at [bartlettfive@gmail.com](mailto:bartlettfive@gmail.com) or 513-293-6607.
