

THE MARIEMONT PICKLER

ISSUE 1 • JANUARY 2025

OUR VISION

As pickleball's popularity surges across the tristate, Mariemont has a unique opportunity to enhance its appeal and community vibrancy by investing in dedicated pickleball courts. While many municipalities have "shared" tennis/pickleball courts, only dedicated courts can truly meet the growing player demand and provide the quality experience players seek.

By creating best-in-class courts, Mariemont positions itself as a leader in recreational amenities while strengthening its ability to attract new residents and enhance property values. Investing in dedicated pickleball courts is more than a recreational upgrade; it's a strategic move toward long-term vitality and growth in the Village.

SERVING UP WINS: THE BENEFITS

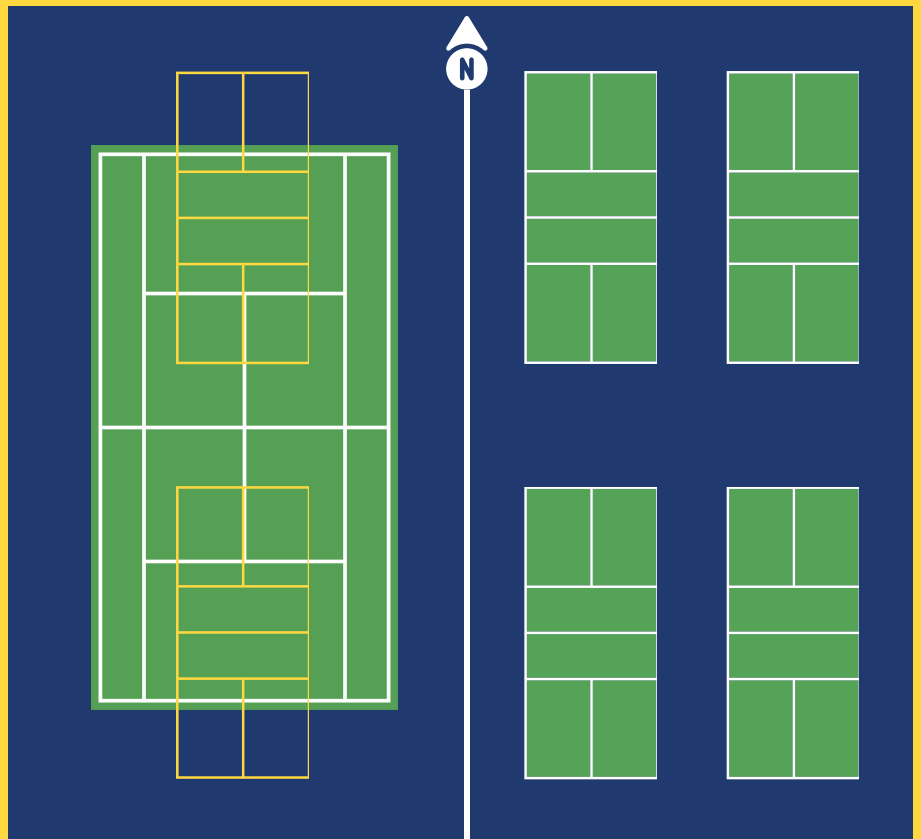

1. Pickleball is a low-impact way to stay active, improving cardiovascular health, balance, and coordination for players of all fitness levels
2. Courts bring together players of all ages, from kids to seniors, fostering relationships across generations
3. Courts are vibrant hubs for activity, drawing people together for casual play and events that contribute to a sense of pride and community identity
4. Courts boost local businesses, strengthening the local economy while positioning the Village as a destination for active lifestyles
