**** We met our fundraising goal! This fall we plan to extend the surface of Court 6 and create four dedicated pickleball courts. Courts 5 & 7 will be repaired and repainted with tennis lines; Court 5 will also be lined for two pickleball courts. MRC will work with the pros to manage court usage with as little disruption as possible.**

We plan to have four interclub teams this year, one in Div I, one in Div II and two in Div III. The eight practices (\$175 for the season or \$30 each session, match balls included), are designed to work on doubles strategies, a weekly theme and match play in preparation for the weekly team match. Beginning the week of 5/25, the practice schedule will be: DI with Dave on Thursdays, 8:30-10:00am; DII with Dave on Tuesdays, 8:30-10:00am; and DIII with Tracy on Tuesday & Thursday mornings, time TBD. Matches are played here and at various clubs in the area on Fridays, 9-11:00am, from June 6 to July 25. You don't have to be available for every practice/match. For more information about team play, please contact Linda Bartlett at bartlettfive@gmail.com or 513-293-6607.
