**Village of Mariemont
Regular Council Meeting
November 9, 2020**

Mayor Brown called the meeting to order at 6:31 PM. Present was Mr. Bartlett and Solicitor McTigue. Virtually present due to the COVID-19 pandemic were Mrs. Graves, Dr. Lewis, Ms. Palazzolo, Mrs. Rankin, Mr. Stelzer, Fiscal Officer Borgerding, Assistant Fire Chief Feichtner and Service Superintendent Scherpenberg.

Mr. Stelzer asked that the minutes from October 26, 2020 be amended to include the comments received by a resident on Indianview who had a strong opinion that cars do not need to be parked on the street and the fee for parking on the street should be \$500.00 per car. Mr. Bartlett moved, seconded by Mrs. Rankin to accept the amended minutes. On roll call; six ayes, no nays.

Mr. Bartlett moved, seconded by Ms. Palazzolo to accept the minutes as written for the Special Council meeting October 19, 2020. On roll call; six ayes, no nays.

Mayor Brown read the following communications:

From Assistant Fire Chief Feichtner: October 2020 Monthly Report.

From Service Superintendent Scherpenberg: October 2020 Monthly Report

From Tax Administrator Darrah: October 2020 Monthly Report.

From BWC: Dividend Check COVID-19 \$56,391.02

From Assistant Fiscal Officer Wendler: October 2020 Monthly Report.

From Solicitor McTigue: Waiver of Liability, Assumption of Risk and Indemnity Form. It was discussed that the form could be placed on the website or emailed to interested residents. Solicitor McTigue said the Village should let volunteers know that our liability insurance carrier requires the Village to have the waivers on file and suggested to keep it as simple as possible. Mr. Stelzer voiced he wanted to table the matter until he had more time to review the document and discuss further at the next meeting and suggested implementing the new policy January 1, 2021. Mr. Bartlett said it would be good to have something in place now and if Mr. Stelzer has any changes we can implement those at that time. Council voted 5-1 to go forward with the waiver. (Mr. Stelzer voted nay).

Motion to Pay the Bills:

Mr. Bartlett moved, seconded by Dr. Lewis to pay the bills as approved by the Mayor, Fiscal Officer and Chairman of the Finance Committee. Ms. Palazzolo asked if the emergency water repair in the kitchen of the Fire Department would be turned over to our insurance company. Mayor Brown said we will look into making a claim but the work needed to be done on an emergency basis. Ms. Palazzolo questioned the 22 Sugar Maples and how much did MPF contribute and how much did the Village pay. Mayor Brown said he believes MPF donated \$3,000. Superintendent Scherpenberg said there is not a warranty because the Village planted them due to the complexities of the underground utilities. To have them planted by Natrop's with a warranty is approximately \$125.00 per tree. Fiscal Officer Borgerding commented he was unaware that the Village got a K-9 dog. Mayor Brown said most of the funds are coming from the Drug and Alcohol Fund plus numerous donations. On roll call; six ayes, no nays.

Committee Reports:

Mr. Bartlett moved, seconded by Mrs. Graves to accept the recommendation of the Rules and Law Committee which met at 2:02 PM on November 3, 2020. Present were Mayor Bill Brown, Committee Chair Maggie Palazzolo, Committee Member Marcy Lewis and Chief Hines. The Committee discussed creating a DORA District in Mariemont. This is a "Designated Outdoor Refreshment Area" and would allow people to buy an alcoholic drink at a restaurant and then walk around outside in a designated area. Detail is available in the addendum in terms of what area would be included, the hours the DORA would be in effect and which businesses would be included. The Committee unanimously

recommends moving forward with this. It would be a way to promote Mariemont businesses and an economic development tool as well. The process is a matter of deciding what we want the parameters of the DORA to be and filing paperwork with the state. The Committee would like to have this in place before spring.

It was agreed to amend the report to include that the local businesses would be contacted and that the Rules and Law Committee would continue to work on the details of the DORA. On roll call; six ayes, no nays.

Mrs. Rankin moved, seconded by Ms. Palazzolo to accept the recommendation of the Rules and Law Committee which met at 2:02 PM on November 3, 2020. Present were Mayor Bill Brown, Committee Chair Maggie Palazzolo, Committee Member Marcy Lewis and Chief Hines. The Committee discussed the policy for placing residents' comments into the council packet and meeting minutes. The committee discussed the issues around fairly representing community members who send communications to Council and the Mayor. The Committee also discussed that this is a matter of policy, not a change to the Village code. The Committee suggests the following: Communications will be placed into the council packet if:

1. The communication is sent to the Mayor,
2. The communication is sent to all of Council (regardless if it was sent to the Mayor) and,
3. A resident sends a communication and asks that it be discussed in a Council meeting.

These items will by default be in the meeting minutes because the communications are always at least mentioned by the Mayor during the meeting and this is enough. Finally, if a resident attends a meeting and addresses council, then their comments will be placed into the minutes verbatim as has been our practice.

Mayor Brown said a resident should state if a communication is not to be discussed by Council. Ms. Palazzolo said this is more in reference to those who state an opinion on a topic and for whatever reason cannot make it to a Council meeting. Mr. Stelzer said he disagrees completely. We need to trust the Mayor's judgement that he will send communications when appropriate. Ms. Palazzolo said it was not necessarily equitable with the past Mayor. Mr. Bartlett suggested amending item #1 at the discretion of the Mayor. Ms. Palazzolo agreed. It was agreed that the amended report would be resubmitted by Ms. Palazzolo.

Council discussed and Solicitor McTigue agreed that the meeting minutes do not have to be verbatim and seemed to stem from Council's dissatisfaction with the prior Mayor and how he handled certain things. Mr. Bartlett said Council concerns and discussion that lead to decisions and votes should be put in the minutes. Mr. Stelzer said Council can amend the minutes should something not be captured. Ms. Palazzolo said she would like the minutes to read like the agenda – Council discussed the agenda item and what the vote was. More of a bullet style. Mr. Bartlett said he sees it differently. Residents should be able to see that Council has thoughts and concerns. Ms. Palazzolo said it is all on video.

Mrs. Rankin moved, seconded by Ms. Palazzolo to accept the recommendation of the Safety Committee which met on November 3, 2020 at 5:00 pm. Present at the meeting were Committee Chairman Avia Graves, Committee Members Maggie Palazzolo and Kelly Rankin, Village Superintendent John Scherpenberg, Village Engineer Chris Ertel, Chief Rick Hines, and Mayor Bill Brown. The meeting began at 5:00 pm to discuss handicap a ramp at Hampstead Park and speed tables on Miami Avenue.

A request was made by the Building Superintendent for Hampstead Park for a handicap ramp at the front entrance of Hampstead Park similar to that of Jordan Park. He thought that Mariemont had put in the apron/handicap access at Jordan Park. Upon discussion with John and Chris, Mariemont did not install the ramp access at Jordan Park that was part of the design of the building. Mariemont would be happy to put in a concrete ramp with the width of 4 feet when we repave the street- but please note that this street won't be scheduled for re-pavement for a while still. That is the process as to when we complete this kind of work-if not deemed a necessity. There are handicap ramps at both ends of the sidewalk on the block and parking for residents has handicap access. It is not in the scope of Mariemont to create a ramp like what Jordan Park has. Hampstead Park is able to submit for a permit to put in a ramp like they have at Jordan Park at their own expense.

A request was made by Jeff Molski 4004 Miami Road for the village to consider installing a speed table on Miami Road. There was a lot of discussion about speed on Miami and the issues with speed tables. At this time we will be trialing a new speed monitoring sign in the village and it's our hope that this will help as a speed deterrence. In addition, we will start having our police force pull over cars that are between 5 and 10 miles over the limit and issue warnings. The police

will continue to monitor speeding on the street closely and ticket those speeders above 10 miles per hour. We will not be installing a speed table.

Mrs. Graves requested that \$3500 be budgeted for next year for another device if effective. It is a mobile device. It will be up to the Police Chief's discretion how long it is left in place. On roll call; six ayes, no nays.

Mayor Brown referred to the Rules and Law Committee a request from the Building Department to review signage legislation. He will send the request to Council.

Miscellaneous:

Leaf Collection will end the week of December 14, 2020. Mayor Brown reminded residents to not rake leaves into the street. They clog and back up the catch basins. It was suggested that letters be sent to lawn care companies that do not comply.

Village Offices will be closed Thursday and Friday November 26 and 27, 2020 in observation of Thanksgiving.

The Permanent Improvement Meeting will be Monday December 21, 2020 at 5:30 p.m. Fiscal Officer Borgerding asked to have their requests to him by early December along with their 5 year projections.

The Council meeting in December will be Monday December 21, 2020 at 6:30 p.m.

Village Offices will be closed Thursday and Friday December 24 and 25, 2020 in observation of Christmas.

Mayor Brown said Bob Blum's term is expiring December 31, 2020. He asked Bob Rich to serve on the Planning Commission.

Mr. Stelzer will be formulating a summary for the next Council meeting regarding the concept of a 501(c)(3) for the Village. It would be available to collect contributions for Village projects. A resident attorney has offered to do the paperwork gratis. The Village would be responsible for paying filing fees. He estimates \$2,000-\$3,000 organizational expense. The summary will include potential trustees.

“To Reappoint Jason Brownknight as a Member of the South 80 Trails, Gardens and Park Advisory Board for the Calendar Year 2021” had a third reading. Mr. Bartlett moved, seconded by Dr. Lewis to adopt the Resolution. On roll call; six ayes, no nays. Resolution No. R-37-20 was adopted.

“To Reappoint Mark Glassmeyer as a Member of the South 80 Trails, Gardens and Park Advisory Board for the Calendar Year 2021” had a third reading. Mr. Bartlett moved, seconded by Dr. Lewis to adopt the Resolution. On roll call; six ayes, no nays. Resolution No. R-38-20 was adopted.

“To Appoint John Fakes as a Member of the South 80 Trails, Gardens and Park Advisory Board for the Calendar Year 2021” had a first reading.

“To Appoint Jon Morgan as a Member of the South 80 Trails, Gardens and Park Advisory Board for the Calendar Year 2021” had a first reading.

“To Accept Bid of Rumpke Waste; To Authorize Contract; To Pay for Services” had a first reading. Mr. Stelzer said the flyer that was placed in the Town Crier was not comprehensive and asked if information was placed on the website or sent to the email distribution list. Mr. Bartlett suggested putting information on the pop up page on the website and deleting temporary signage and yearly waste fees.

Ordinances:

“Ordinance Amending Chapter 31.077 of the Mariemont Code of Ordinance Regarding Building Commissioner” had a second reading.

“To Amend Section 151.025(A)(1)(a) of the Mariemont Code of Ordinances, Powers and Duties of the Architectural Review Board and to Declare Emergency” had a second reading. Mayor Brown said the proposed change says a majority of Council members to concur to overturn an appeal. In addition, the Council member who sits on the ARB cannot participate leaving, 5 members to vote. A simple majority would be 3 Council members. He asked should there only be 4 Council members present and it is a 2-2 tie – the proposed legislation states the Mayor cannot be a tiebreaker. Mr. Bartlett said if there is a tie it does not get overturned. The applicant could delay the appeal until there is a full Council. Mayor Brown believes the 7 members of the ARB would be competent to select their Chairperson. The question was asked if any of the ARB members were asked their opinion on this change. Ms. Palazzolo said no ARB members were contacted but over the years she has seen many members of the ARB and Planning Commission resign because they had become politicalized organizations. This is not personal but an organizational change. Discussion ensued regarding the prior administration and Council’s desire for power to not be abused. The Mayor should not sit as Chairperson of both ARB and Planning Commission. It was proposed that the Mayor could be Chairperson of the ARB with Council approval. In conclusion, Mr. Stelzer moved, seconded by Dr. Lewis to table the ordinance. On roll call; six ayes, no nays.

“To Amend Mariemont Code Chapter 79, Schedule I (B)(1), No Parking of the Mariemont Code of Ordinances to Update Current Requirements for Parking on Wooster Pike” had a second reading.

“Ordinance Amending Chapter 32.13(S) Rule 19 of the Mariemont Code of Ordinances” had a second reading.

“Ordinance Amending Section 32.13 Rules of Council (Z) Rule 25 of the Mariemont Code of Ordinances” had a second reading.

From: Rules and Law Committee Meeting, Maggie Palazzolo – Chairperson

Date: November 23, 2020

RE: DORA Legislation

Attendees: Maggie Palazzolo, Rob Bartlett, Marcy Lewis, Bill Brown, Chief Rick Hines

The meeting began at 2:09pm.

The committee discussed the details of the DORA for the purpose of making final recommendations to council. Per Ohio Law, an application must be submitted to council with these recommendations as the first step to creating a DORA. Next steps are, giving public notice of Mariemont's intent to create the DORA, drawing up and enacting an ordinance creating the DORA, and finally, sending notice that Mariemont approved the DORA to the Ohio State Board of Liquor Control and the Investigative Unit in the Department of Public Safety.

The application to council is attached to this report for approval.

The committee discussed the following items related to the application:

1. Street boundaries: The DORA will begin at the east and then continue down the Strand and include the Old Town Square at its west end. We will ask Chris Ertle, the Village engineer to measure this area to ensure that we meet Ohio's rules for the size of the DORA. (Post Meeting note: The size does meet Ohio's guidelines, per Chris.)
2. Heath and Safety: Chief Hines confirmed that we will not need additional police shifts and that there are always at least two officers on a shift. The committee also discussed that the current number of trash receptacles will be adequate. Finally, the committee discussed including public restrooms. For the time being, the DORA will not include the Dogwood Park and the bell tower restrooms will not be part of it, however council can expand the DORA if we decide to at some point. People patronizing the restaurants in the DORA will have access to those restrooms.
3. Signage: Signs will be the standard brown and white signs Mariemont generally uses and they will be as small as possible to still be effective. There will be some signs in the historic district and those will go through the ARB. Finally, the committee agreed to rely on the Village Engineer to advise on sign placement. Chief Hines agreed to obtain pictures of the signs in Milford as examples for us to study for wording.
4. Liquor Licenses- Ohio keeps a searchable database of liquor licenses and types. The Emery Mariemont has a pending license and will be part of the DORA when it is approved.
5. Hours of Operation- The committee recommends the hours of:

- a. Monday –Thursday 5:00pm to 10:00PM
- b. Friday- Sunday- 12:00pm-12:00am

As a note- As of the committee meeting four of the six restaurant owners have been contacted in person and all are very supportive of the DORA.

The committee recommends council approve the application for the creation of the DORA.

The meeting concluded at approximately 3:00 pm

Attachments: Mariemont Certification of Zoning for DORA.pdf; DORA Application to Mariemont Council.pdf

Hello Ladies,

Attached to this email is the addendum (and Chris's Certification) for the Rules and Law report I sent you yesterday. These really should be one file, but my program is glitching and I cannot combine them right now. Would you please include both along with the report in the council packet for Monday?

Just so we all understand the process once council votes, this is the timeline for establishing the DORA :

- A) Application to council from Rules & Law (11/23/20)
- B) Council runs announcement in local newspaper for 2 weeks about upcoming council meetings to discuss this. (Finished by the 12/21/20 council meeting)
- C) While the announcement is being run, the legislation is being finalized to be presented for a first reading at the December council meeting. You may want to also finalize what the signs are going to look like during this time, and start to run them through the ARB.
- D) The third reading and vote will be at the second council meeting in January.
- E) If approved by council, the legislation is sent to the Division of Liquor Control and the Investigative Unit in the Department of Public Safety for their approval.
- F) Once we have approval from both of those departments, then we can start the DORA and put up the signs.

Thank you both!! Let me know if there are any questions.

APPLICATION TO MARIEMONT COUNCIL FOR ESTABLISHMENT OF A DESIGNATED OUTDOOR RECREATION AREA

Mariemont seeks to establish a DORA to attract more visitors, support our local businesses and to use as an economic development tool. This application to the Mariemont council and the items contained are required by the state of Ohio as part of the process to establish a DORA. This application will be part of the packet sent to the state to formalize Mariemont's DORA after council approves it.

1. Map with sufficient detail to identify the DORA boundaries

2. Mariemont has a population of less than 35,000 and requests 1 DORA that is less than 150 contiguous acres.
3. Inside this DORA, there will be four restaurants that are currently open in addition to one that will be opening soon. There is also a movie theatre, Graeter's ice cream shop, Starbucks coffee shop, several retail establishments, a realty office, an orthodontist and an optometrist and lens shop and other office/retail space.
4. The DORA is required to encompass not fewer than four A-1, A-1-A, A-1, A-1c, A-2, A2f, or D class liquor permit holders. The following businesses hold liquor permits.

Business	Permit Type
Mariemont Theatre	D-5, D-6
The Quarter Bistro	D-5, D-6
Mio's Pizzeria	D-1, D-2, D-6
Mariemont Inn- The National Exemplar	D-5a, D-6
The Dilly Bistro, Bar and Bottle Shop	D-1, D-2, D-3, D-6
The Emery Mariemont	TBD (D-5l, D-6 are pending)

1. Evidence that the land uses in the proposed DORA are in accord with the Village's master zoning plan/map. Please see attached certification from Mariemont's Village Engineer.
- 2.
3. Health and Safety Items
 - a. Specific boundaries of the area including street addresses.
 - b. Number, spacing and Type of Signage- We will use the brown and white wooden signs typically used in Mariemont. The size will be kept as small as possible to be effective- as judged by our village engineer. Some signs will be placed in the historic district and those will go through the ARB approval process. We intend to leave the number of signs and their specific placement up to the village engineer with the final approval of council before we submit the DORA application to the state.
 - c. Hours of Operation
 - i. Monday-Thursday 5:00pm to 10:00pm and Friday-Sunday 12:00pm to 12:00 am.
 - d. Number of personnel needed to ensure safety in the area: The DORA's security officers will be on-duty police officers. The Mariemont Police Department staffs a minimum of two officers per shift. Police, fire and EMS personnel are staffed 24 hours per day. Chief Hines believes the current staffing level is sufficient.
 - e. Sanitation Plan- Mariemont will maintain the current number of trash receptacles within the boundaries of the DORA and the current schedule to empty them. In addition, the regular street cleaning/sweeping schedule will be maintained. Adjustments to the number of receptacle and cleaning schedules may be made as needed when events are held. The Mariemont Maintenance Department will monitor on an ongoing basis and make adjustments as needed, which is their current practice.
 - f. The number of people needed to execute the sanitation plan. Mariemont currently employs 5 members in the Maintenance Department and the current staffing level is adequate to maintain the sanitation plan.
 - g. Beer and intoxicating liquor will only be served in a designated plastic cup. This cup will be the same for every establishment that serves and will be marked/colored to make it easily identifiable as the DORA cup for Mariemont.

Re: Review of Mariemont Village Code of Ordinances and Prohibiting Mayor and Council from Sitting on the Architectural Review Board

Date: May 22, 2020

The Rules and Law Committee met on Friday, May 22, 2020 at 3:00pm. Present at the meeting were Committee Chair, Maggie Palazzolo, committee members, Rob Bartlett and Marcy Lewis and Mayor Bill Brown. The meeting began at 3:00 PM to discuss the Review of Mariemont Village Code of Ordinances and Prohibiting Mayor and Council from Sitting on the Architectural Review Board.

The first topic was the reviewing and updating the Mariemont Village Code of Ordinances. Maggie Palazzolo updated the committee stating that the list of potential changes is long. Changes have been suggested by various community members and current and prior council members. Examples, include updating the language about bicycles on sidewalks, the requirement of having a dog catcher, and other items. More will surface as we review the code. The discussion today is to agree on a methodology for the review. Some community members who have the legal skills and are familiar with the code have offered to help. Maggie suggested that we enlist their help as well as review the code ourselves and begin to put the items that need to be changed into committees. Prioritization of items, will be based on, financial impact to the village, quick fixes that are simple and glaring errors or loopholes in the existing code, such as the demolition language currently in the Economic Planning and Zoning Committee. The committee recommends beginning the review.

The next topic was "Prohibiting Mayor and Council from Sitting on the Architectural Review Board" (ARB), however that is not the goal of the meeting. The goal is to clarify the rules for the ARB and how the mayor and council fit into that. Currently, there is no code setting rules for how the Mayor or council members sitting on the ARB act as the appeal board members. After discussion, the committee recommends the following changes be made to the rules for the ARB.

1. The Mayor and only one council member may sit on the ARB.
2. The Mayor and the council member sitting on the ARB must vote on any issues that come before that board. (The vote may be to abstain.)
3. The Mayor and the council member sitting on the ARB may not vote as part of the appeal board if the issue is appealed (even if s/he has abstained on the ARB vote).
4. The Mayor may not serve as the chair of the ARB.
5. In any case, the Mayor will not be the tiebreaker for any issue coming before the appeal board.

The meeting concluded at 4:09 PM.

Respectfully Submitted,

VILLAGE OF MARIEMONT, OHIO
Specifications and Instructions to Bidders for
Waste and Recyclable Collection and Disposal

Sealed bids for waste and recyclable collection for the Village of Mariemont must be made upon the bid form furnished herewith. The bid form is to be filed with the office of the Village of Mariemont Fiscal Officer, at 6907 Wooster Pike, Mariemont, Ohio, 45227, prior to 12:00 noon, Wednesday, October 14, 2020. NOTE: The Village of Mariemont has a volume based, pay-as-you-throw sticker program for trash collection. § 70.30 OBEYING TRAFFIC-CONTROL DEVICES.

Per Ohio Revised Code §4511.11, Mariemont has to follow the Ohio Manual of Uniform Traffic Control Devices (“OMUTCD”) concerning the installation any maintenance of any and all traffic control devices. As such, before voting to install or modify a traffic control device, council should refer to the OMUTCD if any new traffic control devices are being contemplated, to insure they comply with Ohio law.

(A) (1) No pedestrian or driver of a vehicle shall disobey the instructions of any traffic-control device placed in accordance with the provisions of this traffic code, unless at the time otherwise directed by a police officer.

(2) No provision of this traffic code for which signs are required shall be enforced against an alleged violator if, at the time and place of the alleged violation, an official sign is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular section of this traffic code does not state that signs are required, that section shall be effective even though no signs are erected or in place.

(R.C. § 4511.12(A))

(B) (1) Except as provided in division (C) below, any operator of a commercial motor vehicle, upon approaching a scale location established for the purpose of determining the weight of the vehicle and its load, shall comply with any traffic-control device or the order of a peace officer directing the vehicle to proceed to be weighed or otherwise inspected.

(2) Any operator of a commercial motor vehicle, upon bypassing a scale location in accordance with division (C) below, shall comply with an order of a peace officer to stop the vehicle to verify the use and operation of an electronic clearance device.

(C) Any operator of a commercial motor vehicle that is equipped with an electronic clearance device authorized by the Superintendent of the State Highway Patrol under R.C. § 4549.081 may bypass a scale location, regardless of the instruction of a traffic-control device to enter the scale facility, if either of the following apply:

(1) The in-cab transponder displays a green light or other affirmative visual signal and also sounds an affirmative audible signal;

(2) Any other criterion established by the Superintendent of the State Highway Patrol is met.

(D) Any peace officer may order the operator of a commercial motor vehicle that bypasses a scale location to stop the vehicle to verify the use and operation of an electronic clearance device.

(E) As used in this section, COMMERCIAL MOTOR VEHICLE means any combination of vehicles with a gross vehicle weight rating or an actual gross vehicle weight of more than 10,000 pounds if the vehicle is used in interstate or intrastate commerce to transport property and also means any vehicle that is transporting hazardous materials for which placarding is required pursuant to 49 C.F.R. pts. 100 through 180.

(R.C. § 4511.121(A) through (C), (E))

(F) No person shall use an electronic clearance device if the device or its use is not in compliance with rules of the Superintendent of the State Highway Patrol.

(R.C. § 4549.081(B))

(G) (1) Except as otherwise provided in this division, whoever violates division (A) above is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates division (A) above is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates division (A) above is guilty of a misdemeanor of the third degree.

(R.C. § 4511.12(B))

(2) Whoever violates division (B) above is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to a violation of division (B) above or any substantially equivalent state law or municipal ordinance, whoever violates division (B) above is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to two or more violations of division (B) above or any substantially equivalent state law or municipal ordinance, whoever violates division (B) above is guilty of a misdemeanor of the third degree.

(R.C. § 4511.121(D))

(3) Whoever violates division (F) above is guilty of a misdemeanor of the fourth degree on a first offense and a misdemeanor of the third degree on each subsequent offense.
