12. Parking Lot Light Issue	Mayor Brown/Mrs. Brownknight	
13. Porsche Rallye	Mayor Brown	
14. Wooden Duke Energy Poles	Mayor Brown	

**Village of Mariemont
Council Meeting
June 27 , 2022**

Mayor Bill Brown called the meeting to order at 6:30 p.m. with the Pledge of Allegiance. Present were Mr. Bartlett, Mrs. Brownknight, Ms. Geldbaugh, Dr. Lewis, Mrs. Rankin, and Mr. York.

Mayor Brown introduced Mr. Richard Ford as the new Fiscal Officer. He will be transitioning into the position with the help of Fiscal Officer Borgerding and Assistant Fiscal Officer Wendler.

Police Chief Hines said it is his honor to stand before Council this evening to present the most prestigious award that a law enforcement officer can receive. The "Medal of Valor" is the highest decoration for bravery exhibited by a public safety officer, comparable to the military's Medal of Honor. It is easy for all of us to take for granted the faithful and dedicated service that our police and fire personnel provide by willingly to put their lives on the line to save another at any moment. On January 19, 2022, Officer Adam Geraci was the first officer on the scene of a house fire in Fairfax. The house was full of flames and heavy smoke. Officer Geraci was advised that there were people trapped inside the burning house. Without hesitation he ran to a window where he saw an individual who was confined to a wheelchair trapped inside the structure. He began lifting the individual through the window while taking on heavy smoke to the point of having difficulty breathing himself. Officer Kaminsky from Fairfax responded and assisted Officer Geraci in getting the individual the rest of the way out of the window. The individual was taken to the paramedics on scene and was transported to the hospital. There were two other individuals who were also trapped inside the structure who were located and removed by the Mariemont Fire Department personnel and other responding fire departments. Unfortunately, these individuals did not survive. It is without question that Officer Geraci's heroic actions saved the individual's life, who was unable to exit the house due to being confined to the wheelchair. Officer Geraci required medical attention and was sent to Jewish Hospital for treatment of heavy smoke inhalation. He responded to the hospital to be with Officer Geraci and when I saw him, he asked how he was doing. Officer Geraci responded by saying "Chief, I could not let that lady die, I had to get her out". He presented Officer Geraci with the Mariemont Police Department "Medal of Valor" for risking his life for the sake of another. He concluded by saying he was proud of Officer Geraci and that he is a true hero.

Mayor Brown called for a brief recess to allow Council time to congratulate Officer Geraci and for pictures to be taken.

Mrs. Rankin moved, seconded by Mr. York, to accept the minutes as written for June 13, 2022 and the Special Meeting of Council June 16, 2022. On roll call: six ayes, no nays.

Communications:

From the Audit Committee: Village of Mariemont's Response to the Audit Response and Management Letter (Covering the 2020 and 2019 Fiscal Year). Fiscal Officer Ford said most of the items from the audit have been addressed and resolved. The Audit Committee recommends that every member of the Council get a copy of the audit results.

From The Ohio Plan: Strategic Planning Session Report Summary. There will be a Special Meeting of Council on Tuesday July 26, 2022 at 5:30 p.m. to discuss. Mrs. Rankin will confirm that Mike Hinnenkamp, from the Ohio Plan Management Resources Team, will be available to attend.

Permission To Address Council:

Mr. Terry Gaines, 3901 West Street #1, was granted permission to address Council. He complimented and expressed his appreciation to Council for the decision made months ago to maintain the Mariemont Fire Department

and not merge with Little Miami Fire District. Both he and his wife in the past weeks have had to utilize the services of the Mariemont Fire Department and found them to be professional, kind and knowledgeable. He was very impressed with the impeccable highly quality personnel the Village has.

Ms. Karen Fallon, 6966 Murray, was granted permission to address Council. She too echoed support for the Mariemont Fire Department. She asked for an update on the Duke Energy wood poles. It has been 4 years and it has been 11 months since she approached Council on this matter. She is frustrated that no action has taken place and questioned the matrix process the Mayor follows when taking on a project. She asked if Public Utilities of Ohio has been contacted. She asked for a list of names and contact information and said she would be happy to assist by following up herself. She is discouraged with the talk of the bike path that the poles are still present. She is disappointed that after 4 plus years the situation is not resolved.

Mayor Brown said he along with Superintendent Scherpenberg and Engineer Ertel have had conversations with Duke Energy. We make contacts and then the people move on – it is a continual dance to get anything done with the poles. He is told the same story that it is another union or entity that is responsible for the removal of the poles. He said he would provide to Ms. Fallon the contact information as he is just as disappointed and frustrated. He does not like their process and finds them hard to deal with. The poles are on their right-of-way. He would be happy to have Ms. Fallon participate.

Mr. Bartlett suggested that this matter be added to the Task List.

Motion to Pay the Bills:

Mrs. Rankin moved, seconded by Mr. Bartlett, to pay the bills as approved by the Mayor, Fiscal Officer and Chairman of the Finance Committee. Mr. Bartlett clarified that payment for the following bills were being charged to the noted account: Mini-Pumper (ARPA Account), painting streetlights (Street Highway Fund), Municipal mower (Mr. Bartlett thought it would be better charged to Service, but it was noted that the mower is used at the Municipal Building by the fire department and not part of the mowing package), Service department truck (Permanent Improvement). On roll call: six ayes, no nays. Mrs. Brownknight would like to see more cost centers set up in the accounting software for tracking spending.

Committee Reports:

Miscellaneous:

- Village Offices will be Closed in Observation of Independence Day Monday July 4, 2022
- Village Fireworks will be held at Dusk Monday July 4, 2022
- Village Flag Walk Saturday July 2, 2022 at 6:00 p.m.
- Budget Hearing will be Monday July 25, 2022 at 5:30 p.m.

Resolutions:

“Fixing a Time for Public Hearing on the 2023 Budget” had a third reading. Mrs. Rankin moved, seconded by Mr. York to adopt the Resolution. On roll call; six ayes, no nays. Resolution No. R-27-22 was adopted.

“Renewal of 3.5 Mill Tax Levy in Excess of 10 Mill Limitation for Permanent Improvements for the Tax Years of 2022, 2023, 2024, 2025 and 2026” had a third reading. Mr. Bartlett moved, seconded by Dr. Lewis to adopt. On roll call; six ayes, no nays. Resolution No. R-28-22 was adopted.

Mrs. Rankin moved, seconded by Mr. Bartlett to remove “Resolution Authorizing Mayor To Execute Contract with A359 Partners in Architecture” from the agenda. The Village will not be signing the contract –

Mariemont Preservation Foundation will be signing the contract. On roll call; six ayes, no nays. There will be a letter giving MPF authorization to have the work done on Village property.

Ordinances:

“To Enact New Section 151.094 of the Mariemont Code of Ordinances Pertaining to Synthetic Grass” had a second reading.

“To Amend Section 79, Schedule I of the Mariemont Code of Ordinances Regarding No Parkin on West Street Between Thorndike and Madisonville Road” had a first reading.

Council reviewed their Committee assignments:

Rules & Law: Mrs. Brownknight said the signage legislation is still under review. She has met with the Department Heads regarding the Employee Handbook. She anticipates a draft for the Committee to review for Council’s approval by the end of the year. The fences related to corner properties was removed. Bed and Breakfasts in the Village was removed. There are two presently in the Village that have received no complaints. The Village could tax them, but the return would be small. It was felt to wait until the State of Ohio has made a determination on the matter. Hot Tub Regulations have not yet been addressed.

Health & Recreation: Mr. York said the process for naming and use of Village properties has been completed and may be removed from the agenda. The creation of the Waldorf Neighborhood Advisory Group has been completed and may be removed from the agenda. They are waiting for a bid to take a look at the Dale Park hillside. Ms. Geldbaugh said there is a large tree down on the Waldorf property. Work with the Pool Commission to address miscellaneous tasks is an ongoing saga. The proposed bike path connector study has been completed with Council’s approval to use the Kleingers Group and should be removed from the agenda. The Committee is looking at what process to use to access the benches Village wide. Mr. Koepke has made some recommendations.

Finance: Mr. Bartlett is waiting on getting the Committee together to talk about the employee bonus process and is also waiting for the quote for the liability insurance from underwriting. Finance Sub-Committee: Assessing the need for Operation Manager should also be Operation Manager/Administrator. He asked to have Identifying Someone to assist the Village develop a strategic plan be removed, as that has occurred and Council will be meeting to discuss. Assessment of grant opportunities with Hamilton Council Planning & Development was removed from the agenda. Mr. York has applied for a mini-grant.

Safety: Ms. Geldbaugh said she has not received any complaints regarding traffic and speed concerns. Mr. Bartlett will forward to her a study put together by former Council member Dennis Wolter regarding traffic studies. Chief Hines said he feels purchasing the speed trailer has helped. It is transportable and they have increased enforcement.

Planning and Zoning & Economic Development: Dr. Lewis said regarding exploring financial incentives for local businesses, he and Mr. Geis will be meeting this week to discuss. The MPF demolition and new construction ordinance is almost done. Paver/patio installation regulations is next to be worked on.

Public Works & Service: Mrs. Rankin said the trash/recycling collection contract bid with Center for the Local Government did not produce favorable results the Village was looking for. There was discussion regarding the wording of the legislation regarding the monthly charge to residents on their Cincinnati Water Works bill. Mrs. Rankin asked that the wording of “Development of Details/Submit Application for CDBG Funds for Painting Lamp Posts be re-worded to read “Long-Term Plan Recommending Painting of the Lamp Poles”. She is waiting to hear from Engineer Ertel and Service Superintendent Scherpenberg regarding pedestrian crosswalk at the library.

Committee of the Whole: Dr. Lewis said the Village does not have the funds to address the Municipal Building Renovations/Additions at this time and asked the matter to be removed. The police and fire departments have applied for grants but they are no longer available this year.

The meeting adjourned at 7:28 p.m.

William A. Brown, Mayor

Richard D. Ford, Fiscal Officer

Dear Mariemont Police and Fire Departments,

We simply don't know where to begin to express our gratitude for all you did to make our son, Curran's, 9th birthday absolutely incredible! His words to describe it: "Today was so AWESOME! It was the best day of my life and I didn't want it to end."

From the first phone call made inquiring if we could even have a giant trailer truck filled with video games in the village, to narrowing down a location (Chief Hines instantly said... have it here at our Municipal Building), and multiple other calls to hammer down our plan... you went above and beyond. Your commitment to our community and true sense of service are what make this village a wonderful place to live and raise a family.

We loved getting to know Officer Fred and Officer Steve a little bit better and having them participate that day truly made the party a total hit! They are solid good guys that we are blessed to have on our Village PD. We are beyond confident in their ability to protect and serve our community, and found they are insanely fun. However, in the event of a zombie apocalypse... we may want them to spend some time playing a little more Call of Duty to prepare 😊... All that being said, I think we may have to schedule a rematch, and our daughter, Madeline, would be more than happy to help train them.

The presentation of the challenge coin was another highlight and a moment that made Curran's birthday so memorable. He has it proudly displayed on a shelf in his room next to his Dad's from the Army. He refers to it as an heirloom. These are memories that we know he will cherish.

We honestly cannot thank you all enough. Your thoughtfulness, dedication, true sense of community and willingness to go above and beyond "the job" shine bright and we are beyond grateful.

Fondly,

The Love Family

~ Tim, Michele, Madeline, Teagan, Curran and Mairenn

Thank you for making ^{my} birthday
Awesome and for letting us use your
parking lot and yard area for
my party. It was a blast, and
I am very grateful for the cool
challenge coin. It was a special
day that I will always remember.

♡
Sincerely,
Curran,
Love

MARIEMONT TAX DEPARTMENT
MONTHLY REPORT
June 2022

Dear Council Members,

Tax collections totaled \$240,789.58 for the month of June.

Which is \$23,188.48 less than collected in 2021 and \$97,593.24 more than collected in 2020.

Through June, collections are \$237,135.79 over 2022 projection and \$43,412.44 more than 2021 actual.

Additional reports show receipt comparison for 2021/2022; the collections breakdown per account type/tax year for February 2022; the income tax receipt summary; and the 2022 income tax projection.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Chuck Barlow", followed by a horizontal line extending to the right.

Chuck Barlow
Tax Administrator

Building Department Report to Village Council covering the month of June 2022

The building department issued 18 permits this month. These are summarized here along with the fees. They are listed individually at the end of the report.

0 commercial building permits	\$	0
8 residential building permit	\$	883
2 utility permits	\$	204
8 residential zoning permits	\$	<u>445</u>
TOTAL	\$	1532

For the month of June, a total of 60 hrs were billed in addition to the volunteer hours of Bob Van Stone (in excess of 45 hrs all dedicated to admin). That time was spent on the following activities. The hours were allocated as follows:

ARB Meeting Prep	5 hours	8%
Planning Commission Prep	0 hours	0%
Permitting	10 hours	17%
Bldg Dept Questions	10 hours	17%
Compliance - Violations	20 hours	33%
Admin (organization, ordinances, XPEX)	15 hours	25%

Time spent in June to update/write several ordinances and working signage issues in the business district. Volunteer hours were consumed on scanning permitting documentation into electronic database. Permit compliance and property maintenance issues continues to be a focus.

Respectfully submitted,
Rod Holloway
Building Department

VILLAGE OF MARIEMONT, OHIO

ORDINANCE NO. 0-_____-22

TO ENACT A NEW SECTION 151.094 OF THE MARIEMONT CODE OF
ORDINANCES PERTAINING TO SYNTHETIC GRASS

WHEREAS, at the request of the Village Administrator, the Health and Recreation Committee met to discuss appropriate legislation relative to synthetic grass; and

WHEREAS, the Committee has recommended that a new code section be enacted which pertains to synthetic grass.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF MARIEMONT, STATE OF OHIO, A MAJORITY OF THE MEMBERS DULY ELECTED THERETO CONCURRING:

SECTION I. That a new Section 151.094 of the Mariemont Code of Ordinances is hereby enacted:

CHAPTER 151.094:
SYNTHETIC GRASS

- 151.094 – Purpose:

It is the purpose of this chapter to regulate the installation of synthetic grass in all zoning districts thus preserving the enjoyment of private property, while promoting orderly and environmentally responsible development. Synthetic grass shall be considered a permitted use in any zoning district, subject to the requirements of this and any other applicable chapter of this Code.

- 151.094.1 – Definitions:

(A) *Synthetic (or artificial) grass or turf* means any synthetic fiber that resembles real grass, is ultra-violet light (UV) protected & treated, which is tufted on a porous backing. The surface is in-filled with media to increase stability, creating a weighted surface. The product is installed on a porous surface that is designed, compacted, and graded for positive water drainage.

- 151.094.2 – Applicability:

(a) No person shall install synthetic grass in any zoning district in the Village without compliance with the provisions of this chapter and applicable related requirements of the entire ordinances.

(b) Synthetic grass installations constructed prior to the effective date of this Chapter shall not be required to meet the requirements of this code; unless any physical condition or modification renders such system un-repairable or un-useable. If any pre-existing synthetic grass is destroyed or damaged to the such extent that it cannot be returned to original service, or any such damage or modification creates an unsafe condition it shall be replaced or removed in conformity with this chapter.

(c) Synthetic grass is prohibited in any historical districts or on any Landmark structures as defined in section 151.075

(d) Synthetic grass is not allowed in any front yard.

(e) Synthetic grass is allowed in side and rear yards with the following provisions:

(1) Not abutting a public street, right of way, or park area

(2) Synthetic grass is not allowed in a drainage swale or culvert

(3) Synthetic grass is not allowed in the drip line of a tree canopy as defined at the mature growth stage

(5) Synthetic grass must have an approved edge border (bender board, paver, concrete mow strip, etc. with minimum thickness of 3/8") defining the perimeter boundary between natural area as well as along property edges. The synthetic grass must not extend beyond your property line. A 12" clearance from property lines is recommended.

(6) Existing sprinklers systems running underneath or spraying onto synthetic grassed areas need to be decommissioned.

- **151.094 3- Contents of application.**

(a) An application for synthetic grass to be approved in compliance with the standards and criteria of this Chapter and shall include:

(1) A landscape plan or design illustrating the location of planned synthetic grassed areas and abutting natural areas. All landscaping feature including trees and shrubs must be located. A plan for drainage of the synthetic grassed areas must also be included. A typical cross section details on the compacted base design must be provided.

(2) Complete specifications on all materials to be used for the synthetic grass installation, not limited to the turf, infill material, joining material (adhesive, tape), border, and compacted base must be provided.

(3) Qualifications or certifications of the contractor or installer.

- **151.094.4 - Design and performance standards.**

(a) The compacted base underneath the synthetic grass needs to be designed in a manner to allow water to naturally permeate into the sub-surface and not to pool or noticeably run-off into a public storm sewer or right of way. Additional drainage scope may be required to properly discharge the water from the synthetic grassed areas into or directed to a storm sewer.

(b) The color of the synthetic grass needs to simulate the appearance of natural grass in the surrounding area during summer months. No permanent paintings or markings of the synthetic grass is allowed.

(c) Seams must not be easily visible and grain must be consistent between synthetic grass areas. Seams can be taped or glued, but not sewn.

- (d) Synthetic grass must be affixed to a permeable backing with punched holes to allow for proper drainage of rain water.
- (e) Synthetic grass must have a minimum face weight of 60 ounces per square yard
- (f) Synthetic grass must come with a minimum 12 year no-fade guarantee, contain no lead, and of polyethylene, polypropylene, or nylon composition. Any alternate synthetic grass will require approval from the Building Department prior to installation or be subject to removal.
- (g) Synthetic grass height must be between 1.75 and 2.25" tall. Putting greens are considered a sports-field and subject to different zoning requirements.
- (h) In-fill medium must be a clean coated sand product (non-organic) brushed into the fibers to keep them upright and provide ballast to avoid movement. Any deviations of in-fill materials must be approved by the Building Department prior to use or be subject to removal.

- **151.094.5- Fees:**

A fee for synthetic grass permits shall be \$120.00. Permit costs for patios, decks, or other accessory structures that may be on the landscape plan or design will be permitted separately.

- **151.094.6 Required Maintenance:**

Synthetic grass must be properly maintained. Failure to do so can result in a Notice of Violation for improper maintenance. Some of the most common maintenance items include:

- (a) Weeds: No weeds or organic matter can be visible thru sections of synthetic grass or along the seams or edges. Proper installation of a compacted based and correct infill materials will reduce the likelihood of unwanted weeds.
- (b) Pooling: Water cannot puddle or pool on the surface. Proper installation and grading of the compacted based and possible auxiliary surface drains will reduce the likelihood of pooling.
- (c) Public Utility Access: Synthetic grass can only be installed on your property and not in the public right of way or utility easements. Any damaged caused by public utilities repairing or maintaining service to your house is the homeowner's responsibility.
- (d) Animal feces and urine: Clean-up from pets must be done in a timely manner. Odors emanating from urine or feces must be controlled and the occasional sanitizing or cleansing of the synthetic grass may be required.

Product has reached its lifespan: Due to wear and tear, UV ray exposure, and general weathering, the product may require partial or complete replacement. Factors for evaluating the lifespan include the condition of the individual blades, seam quality, and color of the synthetic grass. If the product has reached the end of its guaranteed lifespan as noted in the manufacturer's literature, or if maintenance issues are not corrected in a timely manner, the Building Department can deem the product beyond its lifespan and require the synthetic grass to be replaced or that the original yard must be restored to pre-synthetic grass conditions.

SECTION II. That this Ordinance shall take effect at the earliest date allowed by law.

Passed: July 11, 2022

William A. Brown, Mayor

ATTEST:

Richard D. Ford, Fiscal Officer

I, Richard D. Ford, Fiscal Officer of the Village of Mariemont, Ohio, do hereby certify that there is no newspaper printed in said municipality and that publication of the foregoing Ordinance was duly made by posting true copies thereof at five of the most public places in said corporation as determined by the Council, as follows: the Concourse, Miami Bluff and Flintpoint Way; the Tennis Court property, on the east side of Plainville Road between Maple and Chestnut Streets; the site of the Municipal Building. Wooster Pike and Crystal Springs Road; the northeast corner of the intersection of Rembold and Miami Road inside the enclosure; the northwest corner of the Old Town Center, intersection of Chestnut and Oak Streets; each for a period of fifteen days commencing on the 12th day of July 2022.

Richard D. Ford, Fiscal Officer

VILLAGE OF MARIEMONT, OHIO

ORDINANCE NO. 0-____-22

TO AMEND SECTION 79, SCHEDULE I OF THE MARIEMONT CODE OF ORDINANCES REGARDING NO
PARKING ON WEST BETWEEN THORNDIKE AND MADISONVILLE ROAD

WHEREAS, the Safety Committee has met to discuss the previous ordinance passed regarding No Parking Anytime on West Street between Thorndike and Madisonville Road due to the narrowness of the street and congestion during, before, and after school hours; and

WHEREAS, residents of Nolan and Emery condominiums voiced concerns of the mobility of some of the residents and visitors' limited access to the underground parking; and

WHEREAS, to address the concerns of residents, the committee recommends that parking be permitted on the south side only; that no parking be permitted on school days 7:00 a.m. to 9:00 a.m.; that and no parking be permitted 3:00 p.m. to 5:00 p.m. between Thorndike and Madisonville Road; that no parking be permitted 25 feet from the stop sign at the corner of West Street and Thorndike, and that a sign, "No Parking Here to the Corner, from Madisonville" be set approximately 30 feet from the Madisonville Road end; and

WHEREAS, Council believes it is the best interest of the Village of Mariemont to make said change and that to enforce the new ordinance, and to implement said change and to protect the public, an officer will be assigned for the first few weeks of the new school year in the fall and that school officials will make the elementary school aware of the change so that the parents may be notified before the start of the school year.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF
MARIEMONT, STATE OF OHIO, A MAJORITY OF THE MEMBERS DULY ELECTED
THERETO CONCURRING:

SECTION I. That Mariemont Code of Ordinances, Section 79, Schedule 1, is hereby amended to reflect the changes to the No Parking on West Street ordinance to parking is permitted on the south side only; that no parking is permitted on school days 7:00 a.m. to 9:00 a.m.; and no parking is permitted 3:00 p.m. to 5:00 p.m. between Thorndike and Madisonville Road; that no parking is permitted 25 feet from the stop sign at the corner of West Street and Thorndike, and that a sign, "No Parking Here to the Corner, from Madisonville" shall be set approximately 30 feet from the Madisonville Road end.

SECTION II. That to implement the change and to protect the public, an officer will be assigned for the first few weeks of the new school year in the fall and that school officials will make the elementary school aware of the change so that the parents may be notified before the start of the school year.

SECTION III. This ordinance shall go into effect at the earliest date allowed by law.
