Subject: Action needed from Mariemont on Hamilton County Solid Waste Plan

Good afternoon Anthony,

Over the past two years, the Hamilton County Solid Waste Management District (R3Source) has undergone the process of updating its Solid Waste Management Plan (Plan). This update process included numerous public meetings and extensive feedback from a wide range of stakeholders.

Here is a shortened [Plan Update Highlights Packet](#).

The full Plan is available for review on our website at HamiltonCountyR3Source.org.

R3Source now asks for your approval of the Plan by taking the following actions:

1. Each political subdivision in Hamilton County is asked to pass a resolution/ordinance (sample attached) approving or disapproving of the Plan within 90 days of receipt of this physical letter you will receive in the mail. **Failure to act on this matter within the 90-day time frame will be interpreted as DISAPPROVAL under State law.**
2. Please email or call Michelle Balz (michelle.balz@hamilton-co.org or 513-946-7789) or Gage Bradford (gage.bradford@hamilton-co.org or 513-946-7746) to let us know the date this will be on your agenda for a vote.
3. You will receive a paper copy of this letter and more in the mail soon. Please use the yellow self-addressed postage-paid envelope enclosed with the mailed letter to return a copy of the resolution/ordinance to our office. Again, the envelope must be post-marked within 90 days of receipt of the letter. Alternatively, you can scan and email the resolution.

Under the Plan, disposal fees will remain stable, at \$1/\$2/\$1 (\$1/ton for in-district waste, \$2/ton for out-of-district waste, \$1/ton for out-of-State waste). The Plan outlines a budget contingency should annual revenues fall below or above projections and a feasibility study of having a large regional organics (yard and food waste) processing facility. Should that study result in a need to increase fees, that increase would require ratification by Hamilton County communities separate from this vote.

Any questions you or your respective board of officials may have can be directed to Michelle Balz at 513-946-7789. By your request, R3Source staff will be available to attend any council or board meetings to provide more information on the Plan.

Thank you for your cooperation and timely attention to this matter.

Michelle Balz, *Solid Waste Manager*
