*Each section will be marked by the ringing of a single bell.
Arrangements are by the performer if not specified.*

About the performer

Dennis Curry is a Mariemont High School graduate, Class of 1966, and is honored to be invited to perform for this auspicious occasion. He recently retired as Kirk in the Hills' Carillonneur after 33 years and continues as Oakland University's first Carillonneur since 2015. Dennis was honored to be consultant and dedicatory recitalist for the new Elliott Carillon Tower at OU where he performs recitals every Friday at noon. His carillon studies began with Dr. Frederick Marriott, and he advanced to Carillonneur member of the Guild of Carillonneurs in North America (GCNA) in 1989. A past President of the GCNA for 6 years, Dennis has also served on the Board of Directors for over 10 years and as juror on the Guild's Student Examination Committee. He is a retired member of the Executive Committee of the World Carillon Federation, having served as Treasurer, Secretary, and Vice-President.

In 2001, Dennis hosted the GCNA Congress at the Kirk, which honored the centennials of Percival Price and Frederick Marriott. He supervised the formation of the Marriott Memorial Library and the complete renovation of the Kirk carillon – the world's largest (77 bells). In 2011, he hosted the joint GCNA and WCF World Congress in Michigan, celebrating the 75th Anniversary of the GCNA – which was the largest gathering of carillonneurs in the 500-year history of the carillon instrument. And in 2014, he hosted the Midwest Regional Carillon Conference on the newest carillon in the world at Oakland University. He has performed on every continent, except Antarctica (where there is no carillon!). An advocate for promoting the carillon art and building community awareness, Dennis has premiered and commissioned several carillon works, and established the Todd Fair Memorial Collection for global scholarly research and student study at Oakland University.
