

## What is DORA?

Ordinance O-3-21 was passed in January 2021, creating a designated outdoor refreshment area (DORA) for downtown Mariemont. This means that at designated times in designated areas, patrons of the participating restaurants may purchase alcoholic beverages and take them outside in the “designated outdoor refreshment area.” Alcoholic beverages will only be served in specially marked plastic cups. These cups will be the same for every participating establishment and will be marked/colored to make it easily identifiable as the DORA cup for Mariemont.
