Covid-19 Policies

Coronavirus, COVID-19, is an extremely contagious virus that spreads easily through person-to-person contact. Federal and State authorities continually change recommendations on social distancing as a means to prevent the spread of the virus. COVID-19 can lead to severe illness, personal injury, permanent disability, and death. Participating in recreational activities, including the use of the Mariemont Swim Club, could increase the risk of contracting COVID-19. The Village of Mariemont and the Swim Club in no way warrant that COVID-19 infection will not occur through participation in recreational programs or accessing the Mariemont Swim Club facility.

Pool Closing Policy

The Village of Mariemont, at its sole discretion, reserves the right to close the Swim Club with no refunds due to the patron for the following reasons:

- Inclement weather
- Patrons will be provided a 1 hour notice that the facility will be closing
- Water contamination (i.e. fecal accident, etc.)
- Maintenance

All pool closing notifications will be posted to the Mariemont Pool social media accounts.

Lightning Policy

When thunder and/or lightning are first noticed, the pool will be evacuated until thirty minutes after the last thunder is heard. If thunder or lightning occurs again within the thirty-minute period, another thirty-minute time limit goes into effect.

Swim Team

The Mariemont Swim Club has a history of excellence within the swim community. The swim team typically holds its practices daily between 9 and 11 AM depending on the age group. The team hosts 3 home meets and participates in 2 away meets. The season concludes in the middle of July.

If you are interested in joining the Swim Team or have specific questions, please contact us via e-mail at mariemontswim@gmail.com

Lap Swimming

We encourage all members to join us in the lap pool for recreational swimming. The lap pool is available every day during regular business hours. If enough interest during the season, we will have early morning sessions available.

Swim Lessons

Swim Lessons are packaged in sessions that run every day, Monday-Friday for 30 minutes in length for 3 weeks. Classes cancelled due to weather conditions will not be made up and refunds will not be offered for missed classes. Class times will be assigned based on child's swim level during the screening.

Swim Lesson screening to determine swim level will be held the first full week in June. You will be emailed more details closer to that time.

Swim lessons are open to anyone seeking to be more comfortable in the water. Whether that is at the very beginning of your water or to enhance your strokes, swim lessons are open to all people ages 3-99 and capabilities. Children MUST be at least three years old by June 1, 2022 to enroll.

Session 1: Mornings June 13 - July 2

Session 2: Mornings July 11 - July 29

Session 3: Evenings June 13-July 2
