- Inclement weather
- Water contamination
- Maintenance

All pool closing notifications will be posted to the Mariemont Pool Facebook account.

Lightning Policy

When thunder and/or lightning are first noticed, the pool will be evacuated until thirty minutes after the last thunder is heard. If thunder or lightning occurs again within the thirty-minute period, another thirty-minute time limit goes into effect.

Swim Team

The Mariemont Swim Club has a history of excellence within the swim community. The swim team typically holds its practices daily between 9 and Noon depending on the age group. The team hosts 3 home meets and participates in 2 away meets. The season concludes in the middle of July.

Members must be at least 5 years old by 6/1/2024 to join the Swim Team and a skill level screening will occur for 8 & under at the beginning of June.

Lap Swimming

We encourage all members to join us in the lap pool for recreational swimming. The lap pool is available every day during regular business hours. If enough interest during the season, we will have early morning sessions available.

Swim Lessons

Swim Lessons are packaged in sessions that run every day, Monday-Friday for 30 minutes in length for 3 weeks. Classes cancelled due to weather conditions will not be made up and refunds will not be offered for missed classes. Class times will be assigned based on child's swim level during the screening.

Swim Lesson screening to determine swim level will be held the first full week in June. You will be emailed more details closer to that time.

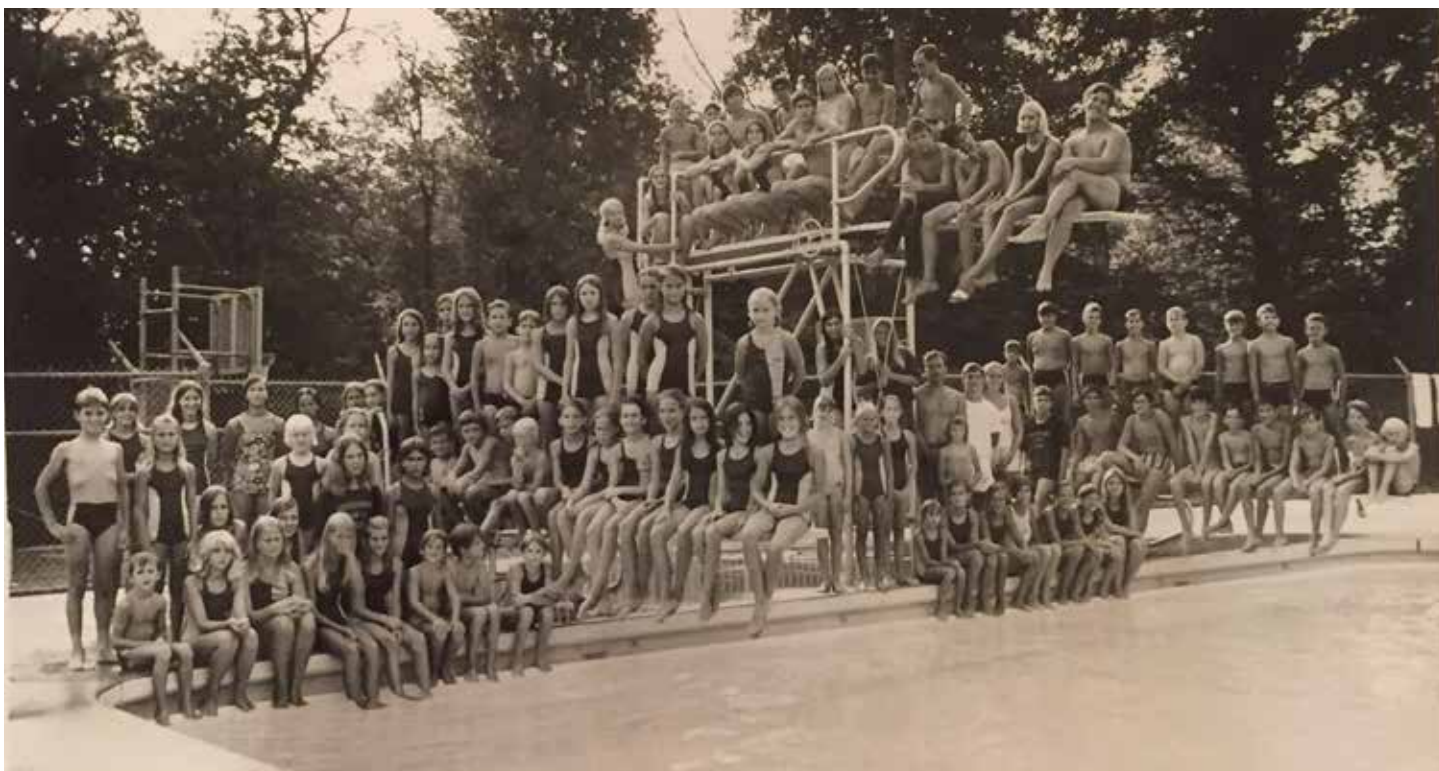

Swim lessons are open to anyone seeking to be more comfortable in the water. Whether that is at the very beginning of your water or to enhance your strokes, swim lessons are open to all people ages 3-99. Children MUST be at least three years old by June 1, 2024 to enroll.
