IMPORTANT NOTICE REGARDING REFUND REQUESTS

The Village of Mariemont does not offer a separate form for filing for a refund of Mariemont tax withheld and/or paid. All refunds must be filed using the Village of Mariemont Individual Income Tax Return (available on this website).

NOTE: If you are a non-resident of Mariemont and filing for a refund related to days worked outside of the Village of Mariemont you must attach Addendums A (Employer verification) & B (Travel day Worksheet).

Any refund request received by the Village of Mariemont Tax Office without ALL documentation attached will be immediately returned to the taxpayer. The taxpayer will then have to attach the missing documents and resubmit the request for refund.
